

Building Update

Building Update - August 19, 2018

We want to take this opportunity to provide an update on the status of our Building project. The Church has selected Rockwell Construction from Mercersburg as the building contractor. We do not have an exact start date and are currently awaiting the required permit approvals.

The size of the building is 100' x 50' which is the same size of the existing church building. The addition will accommodate activities such as basketball and volleyball. The design is important for our youths to keep them engaged now and into the future in their Christian walk in life and involvement in the church activities. We will be able to provide activities for our youth beyond the regular scheduled church services and feel this is just the beginning of a new future at Two Top Fellowship.

While this is a major undertaking for our church we are putting our trust in the Lord and praying for his guidance on the project. With the addition we will not only continue as a shining light in the community but our light will grow and shine ever so much brighter throughout the community.

We hope to have fund raising events in the future for the building project.

We want to personally thank each and everyone who attend Two Top Fellowship for all their support to date. Please pray for the Lord to continue to give us guidance as we move forward with the building project. This is an exciting time at Two Top Fellowship and all are welcome to come and share in our worship, song and praise services.

May God Bless You,

Pastor Paul Martin-Pastor 717-328-3586

Pastor Ronnie Martin-Assistant Pastor 717-328-2712

Pastor Robert Timmons-Assistant Pastor 301-964-2383
